

Always be aware of what you plant in your garden. You can ask the nursery or your local landcare or bushcare group for help in selecting the right plants. Do you know what plants are right for your garden?

A large rectangular box containing five horizontal dashed lines, intended for writing the names of plants suitable for a garden.

Check out the website for more information: www.weedbusters.info/

Some weeds look pretty. Others can be harmful to people, pets, farm animals and animals in the bush. They also choke our native plants. Some plants are weedy and can escape and take over the environment. Help stop the spread of weeds - become a Weedbuster.

You can find out more about weeds on this website: www.weeds.org.au

Also when you're weedbusting it's a good idea to wear gloves, sunscreen and a hat to protect yourself!
